

2020 School Performances

Fantasia

This year's elementary school assembly performance will be *Fantasia*. For those of you who are new to us, every year we go to elementary schools in the area and put on an assembly where we introduce the elements of performance dance (specifically ballet) to the students. It is a wonderful learning opportunity for both our performers and the students that we are performing for.

To participate, you must be 10 years old and have had at least 2 years of ballet or teacher approval.

Because of the nature of the performances, it is necessary for our dancers to be absent from their own schools. If you commit, you must be willing to be out of school two full, consecutive, days. We will not accept anyone who only wants to go to "their" school or can only miss one day of school. *Fantasia* has a small cast. If you are cast in a part, you are the only person who can do that part!

Rehearsals will start over the summer, running the weeks of August 24th-28th and August 31st-September 4th in the evenings, exact times TBD. They will then continue Saturday afternoons starting September 12th.

There will be a **MANDATORY** dress rehearsal Saturday November 8th time TBD.

School performances will be tentatively November 12th and 13th.

Costume rental fee is \$35, to be paid with the below form.
